

# LONE STAR HEALTHY STREAMS

<http://lshs.tamu.edu>

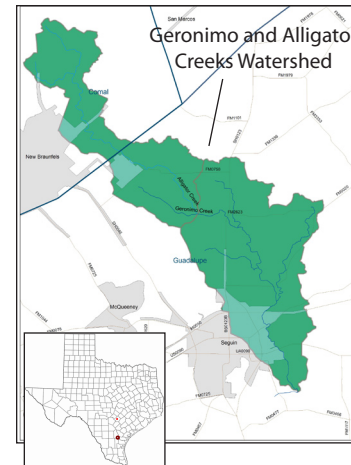

The Lone Star Healthy Streams program educates Texas livestock producers and landowners on how to best protect Texas waterways from bacterial contributions associated with livestock production and feral hogs.

**May 2, 2017: 10:00am-3:00pm**

Guadalupe County Extension Office  
210 E. Live Oak  
Seguin, TX

**\*\*No Cost and includes lunch\*\***

**\*\*3 General CEUs available for Pesticide Applicators\*\***

Workshop presentations will focus on the Geronimo and Alligator Creeks Watershed and will discuss basic watershed function, water quality, and specific best management practices that can be implemented to help minimize bacterial contamination originating from beef cattle, horses, and feral hogs.

Pre-register for the workshop by calling the Guadalupe County Extension Office at 830-303-3889 or by going to:

<http://lshs.tamu.edu/workshops>

The LSHS program is funded through a Clean Water Act nonpoint source grant from the Texas State Soil and Water Conservation Board and the EPA
