

# Water Well Owners Educational Event

## TEXAS WELL OWNER NETWORK

RESOURCES HELP LANDOWNERS PROTECT GROUNDWATER

Tuesday, September 26, 2017  
1— 5 p.m.

New Braunfels Civic Convention  
Center— Garden Room  
375 S. Castell Ave.  
New Braunfels, TX

### TEXAS WELL OWNER NETWORK PROGRAM

The Texas Well Owner Network (TWON) program is a free, educational training for Texas residents who depend on household wells for their water needs. TWON is for private well owners who want to become familiar with groundwater resources, septic system maintenance, well maintenance, water quality and water treatment. Private well owners are independently responsible for monitoring the quality of their wells. Essentially, they are the operators of their own water system and are responsible for ensuring that their water is safe.

### BRING YOUR WELL WATER SAMPLES!

Well owners may bring water samples to the training to be screened for nitrate-nitrogen, total dissolved solids (TDS) and *E. coli* bacteria for \$10. Pick up approved sample containers with instructions at the [Comal](#) or [Guadalupe](#) County Texas A&M AgriLife Extension offices.

Bring your samples and payment of \$10 to the training on September 26.

Pre-register for the workshop at

<http://twon.tamu.edu/training/> or call **979-845-1461**

Gerónimo and Alligator Creeks Watershed Partnership

Funding provided through a non point source grant from the Texas State Soil and Water Conservation Board.
