Have you soil tested in the past 3 years? \*\* \_\_\_yes \_\_\_no

## Guadalupe/Comal County Soil Testing Campaign

Discounted pricing is only available for soil samples through Guadalupe County and Comal County Extension Offices. All samples must be routed through these offices. Please indicate acreage each sample represents, the crop and yield goal to be grown, and what N-P-K fertilizer rates would normally be used (if no soil test was performed). Results can be picked up Tuesday, December 8 at 3pm at the Guadalupe County Extension office. A 40 minute program will be provided to interpret your soil analysis results, and what it means to you. Samples submitted on this form but not routed through these County Extension Offices will not be processed. **\*\*Must be answered for samples to be processed.**

**Pricing valid from 10/15-11/17, 2015.**

**1. Routine Analysis (R)**

(pH, NO3-N, Conductivity and Mehlich III by ICP P, K, Ca, Mg, Na, and S)

Results can be picked up at the Guadalupe County Extension office Tuesday, December 8 at 3pm. A 40 minute program will be provided to interpret your soil test results and what it means to you. If you do not attend the Dec 8 program, other arrangements can be made to receive your results.

**Please note: pricing valid only if routed through above listed County Extension Offices during the soil testing campaign.**
